COMPANY OVERVIEW

One of India's largest integrated piping solutions

RECENTLY VENTURED INTO STORAGE WATER TANKS AND PIPE DUCTING SOLUTIONS

TECHNICAL COLLABORATION

PRODUCT COLLABORATION

Celebrating the unsung heroes with the world's first plumber song

Plumbers are an integral part of our industry and therefore, deserve recognition for the same. So, we at Prince, decided to pay a special tribute to our plumber friends we fondly refer to as 'Mitra'.

Therefore, the first Plumber Anthem ever -

Ji ji kar ke baat karo, hum toh plumber hain...

The song first originally released on the occasion of **World Plumbing Day** (2018) in Hindi, got an overwhelming response the moment it went online. The fact that it instantly became a popular caller tune in the plumber community made it even more special. And this year, it's touching many more plumbers across the nation with its various regional versions. We hope this Zero Defect chain keeps growing with every passing year.

Manufacturing Units

State-of-the-art manufacturing units producing piping systems

EFFICIENT FOR RAIN WATER COLLECTION AND CONVEYANCE

Overview

Rainfit Roofwater Systems are broadly used for collection and conveyance of rainwater. These specifically include storage in tanks and pits, recharging borewells, shafts and wells; and augmenting the underground water table through a proper mechanism to percolate soil.

Product range

• Pipes:

• Half Round Pipes (uPVC): 140, 180, 250 mm

• **Downtake Pipes** (uPVC): 75, 110, 160 mm

• Fittings: (PP)

75, 110, 140, 160, 180, 250 mm
